Welcome Letter

On behalf of The Egyptian Cerebro -Cardio- Vascular Association (ECCVA) we would like to invite you to participate in our meeting which will be held in *Azur , Alexandria, 4-3-2013*. We would like to welcome you all to attend the most enlightening experiences, up to-date knowledge and recent scientific achievements in the management of commonly encountered Cardiology problems. Together with our state-of-the-art discussions of the commonest controversies in Cardiology. Many experts will share with you their expertise and knowledge during scientific sessions. We are sure this conference will help enhance the knowledge and skills of all participants in all aspects of Cardiology

Looking to see you *all in alexandria*

Thanks

Prof. Bassem Zarif
